The Giving Tree

at the Virgil Clarkson Lacey Senior Center

The Lacey Senior Center wouldn't be possible if it wasn't for our friends that so kindly donate to us. The Center continues to be a place where older adults gather to connect, exercise, share meals and friendship.

As a way of honoring our LSC donors, we have created The Giving Tree. Those who donate to LSC at $100 or more January 1 through March 15, will have a leaf put on the tree with their designated engraving. Leaves are put on the tree in the early spring.

As we continue to grow and expand our services, we will supplement our operating expenses through our Giving Tree program. To highlight this program, Earle McNeil carved a beautiful wooden tree, which we are calling The Giving Tree. At the end of each year the leaves will fall off of the tree to give the opportunity for another year of new growth for the Center.
