Care Connection, an affiliate of Senior Services for South Sound, is seeking Independent Providers to provide services for persons of all ages in their home.

As healthcare professionals, independent providers are mandated to report any suspected neglect or abuse of a vulnerable adult. If neglect or abuse is suspected, contact the emergency contact for your client, police, and/or DSHS office as warranted. Care Connection is available as support, not to give advice or direction.

Benefits of joining our team:

- Earn higher pay per hour
- Set your own schedule
- Choose your own clients
- Build a rapport with your clients
- Receive greater flexibility
- Meet and support wonderful people

Requirements to schedule an interview:

- Provide resume outlining your experience in hands on caregiving and/or housekeeping (At least one year of experience of hands on caregiving/housekeeping)

Requirements for being added to the registry:

- Must have lived in Washington State for a considerable amount of time (to be determined by the Care Connection office)
- Provide State Driver's license
- Provide current CPR certification
- Submit to background check and sex offenders sweep
- Provide three professional references in this field
- Provide active Washington State business license
- Sign independent provider guidelines
- Care Connection application

Requirements to remain current on the registry:

- Provide active Washington State business license
- Provide current CPR certification
- Provide State Driver's license
- Submit to annual background checks and sex offenders sweep
- Provide current malpractice insurance coverage
- Sign independent provider guidelines
- Submit paperwork as requested by the Care Connection office
