Do you know an Outstanding Caregiver?

Senior Action Network is now accepting nominations for individuals in Lewis, Mason and Thurston Counties who are shining examples of what it is to be an Outstanding Caregiver. Please take time to nominate someone who has made a difference in the life of you or someone you know! Persons nominated can be in-home paid providers, family volunteers, or employees of a facility such as an Assisted Living, Nursing Home, Adult Family Home, Adult Day Center, Home Health, etc.

All nominees will be honored with recognition in this year's 20th Annual Outstanding Caregiver Awards, to be announced the week of October 26, 2020. While there will not be a large gathering or celebration dinner with all the nominees this year, they will still receive their awards, prizes, and much deserved recognition. Let's show the caregivers in our community that we SEE THEIR DEDICATION and we honor their COMPASSION.

Click here to fill out the Outstanding Caregiver Nomination form, and learn more about this year's awards!

Take Care of Yourself this Labor Day

Labor Day was created to honor the achievements of American workers. This Labor Day, take the time to honor your elderly loved one and their past work achievements. Sometimes a simple thank you will do. Your loved senior would also enjoy spending time with you.

If you decide to take a trip with your loved senior be prepared. Though it is the end of summer, the weather could be warm. It is very important that you bring plenty of snacks and water to keep everyone hydrated and energized. You should also plan extra time on your trip to let everyone stretch their legs and use the restroom.

If you are planning a trip without your loved senior after you honor and thank them, you should also be prepared. Make sure you have a qualified caregiver or companion to care for them in your absence. This will make your respite trip more relaxing. Make sure the caregiver that you leave to look after your loved one has all of the information and training they need to care for your loved one.

Care Connection can provide everything from companionship care to full care for your loved one while you are away.

Thank You for Your Hard Work

Thank you.
Reminders & Updates

Replacement IP’s
If a replacement IP is needed to cover a substitute or scheduled shift(s), first contact your client to inform them. If a replacement IP is required, your client should contact the SSCC office directly with this request. IP’s should not offer these shifts to other SSCC or non-SSCC caregivers, working or not working in the home. SSCC will only refer a replacement IP if we hear from the client who signed the Services Agreement and is in charge of paying for care.

Receipts
Thank you to everyone who sends in their weekly receipts on time. This helps our accounts specialist, Shayna process them in our system. Since Care Connection is working remotely, we also have the option of emailing your weekly receipts into the office for the clients who pay the office directly at timesheets@southsoundseniors.org.

Wouldn’t it be great to tell the community about Care Connection and recruit more business?

Please help us distribute marketing flyers to post on community boards. To print the flyer, click here or email Care@SouthSoundSeniors.org and we’ll send some to you!

We appreciate your help in spreading the word about home care services vital in our community.
